

for others. In addition to his academic pursuits, Johnny is driven by his passion for football. Johnny has played for three years with the MAR-JCC Mo Steel Flag Football Team, and last year he participated in the national championships. Johnny's love of sports and compassion for others led him to organize a sports equipment drive for his Mitzvah project. Johnny and his friend, Jake Moss, collected new and gently-used sports gear for donation to a local children's charity, thereby expanding opportunities for less fortunate children.

We join together in wishing "Mazel Tov" to Johnny. We also wish him every success in his promising future as he continues his personal and academic pursuits. It is with great pleasure that we honor him on his special day.

TRIBUTE TO EDWARD "RUSTY"
WASHINGTON ROSE III

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 1, 2016

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise this morning with a sense of grief to acknowledge the passing of one of the most gracious and giving citizens to have ever lived in North Texas. Edward "Rusty" Washington Rose III, a philanthropist, a brilliant financial genius, a conservationist and former owner of the Texas Rangers Baseball team has taken his leave. He was 74 years old.

A graduate of the Harvard Business School, Mr. Rose donated millions of dollars to worthy causes. While giving with an abundant heart, he preferred to stay out of the limelight. For him, it was enough to know that he had helped someone or that his giving had enriched the city of Dallas, culturally, socially and economically.

Ten years ago. Mr. Rose, his wife, Deedie, and two other Dallas couples donated portions of their personal art collections to the Dallas Museum of Art. The bequest was valued at \$25 million.

The couples agreed that at their deaths, their extensively valuable art collections would be given to the museum. Among his personal donations was a \$10 million gift to assist in building the AT&T Performing Arts Center in Dallas which has become the anchor of cultural activity in North Texas.

In many respects Mr. Rose was a simple man. His major passion was bird watching, an activity he began as a young boy. On his ranch he created a bird sanctuary and wetlands. Often, he invited friends and colleagues to join him as the birds he had cared for soared skyward and migrated to the North.

Mr. Speaker, like the birds he nurtured, Mr. Rose possessed a mind, a character and a spirit that took flight and soared beyond the sky. My condolences go out to his wife, children and grandchild. The people of North Texas were blessed that he chose to walk and work amongst us.

RECOGNIZING THE GREATER COMMUNITY MISSIONARY BAPTIST CHURCH ON 25 YEARS OF WORSHIP AND FELLOWSHIP

HON. MARC A. VEASEY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 1, 2016

Mr. VEASEY. Mr. Speaker, I rise today to recognize the Greater Community Missionary Baptist Church on their 25 years of worship and fellowship in Arlington, Texas and the surrounding community.

The founding congregants of Greater Community MBC heard their call to worship in 1991. Reverend Kennedy Jones first led a group of twenty-two founding members and began holding services at the Harvest Time Church on Cooper Street in Arlington. Beginning with a single Sunday afternoon service, the Greater Community family quickly outgrew its original location. During its first year, Greater Community MBC purchased the property where the church now resides at 126 East Park Row.

Construction on the new church was completed in 1993. The then 60 member strong congregation moved into its new building and continued to grow rapidly. By the end of 1996, there were 300 regular members, three choirs, a whole host of new deacons and the seeds of some of the Arlington community's most effective ministries were planted.

From its humble beginnings as a small church with a single afternoon service, Greater Community Missionary Baptist Church now holds three separate services at both their east and west campuses, and is home to over 1500 members. With their expanded ministry offerings, Greater Community continues to serve the Arlington community in a variety of ways.

Greater Community Missionary Baptist Church has maintained its commitment to growing its ministry through works of love and service. As described in Ephesians 4:12, Greater Community Missionary Baptist Church has been and will continue "to equip His people for works of service, so that the body of Christ may be built up."

In honor of Greater Community Missionary Baptist Church and its 25 years of service to the Arlington community, this statement will be submitted on Monday, February 1, 2016.

THE FAIRNESS TO UNITED STATES DISTANT WATER FISHERMEN ACT OF 2016

HON. DUNCAN HUNTER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 1, 2016

Mr. HUNTER. Mr. Speaker, for 28 years the United States has been a party to the Treaty on Fisheries Between the Governments of Certain Pacific Island States and the Government of the United States of America. At the time of its development, the Treaty resolved maritime boundary disputes and secured access for United States fishermen to tuna stocks wherever they migrated beyond the coastal waters of Pacific Island nations. To provide such access, multi-year fishing agree-

ments were established, where vessel owners could pay for a license to access the Treaty area, roughly ten million square miles of the South Pacific Ocean.

In addition to the industry license payments, the Treaty includes a related Economic Assistance Agreement between the United States and the Pacific Islands Forum Fisheries Agency. The economic assistance usually ran in conjunction with the multi-year fishing agreement. Up until 2013, when a 10-year Economic Assistance Agreement of \$21 million a year was adopted. It is important to stress that the economic assistance does not occur on its own; it has always been tied to United States fishermen fishing in the Treaty area.

Multi-year fishing agreements were fairly stable under the Treaty for the first 25 years, with the last 10-year agreement expiring in 2013. Since then, the United States and the Island nations have only been able to agree on annual agreements, the last few being detrimental to United States-flag vessels due to lower tuna prices and payment for unused fishing days causing economic hardship. The most recent nonbinding agreement was developed in August 2015, and has been under month's long discussion between the Department of State and the Pacific Island Forum Fisheries Agency regarding the final number of fishing days the United States and its industry will be paying for in 2016.

Since January 1, 2016, United States-flag vessels have been banned from the Treaty fishing area, even though the United States Government paid \$21 million in economic assistance in June 2015, which covers through June 2016. Thirty-seven United States-flag vessels are impacted by the ban and are losing money every day the vessels are tied up. The impact on the United States-flag fleet cannot be minimized. The viability of these United States companies and American jobs are at stake.

For that reason, I am introducing the Fairness to United States Distant Water Fishermen Act of 2016. The bill would prohibit the United States Government from providing economic assistance payments to the Pacific Island Forum Fisheries Agency, when there is no Treaty agreement allowing United States-flag vessels access to the Treaty area.

COMMEMORATING THE LIFE OF
LIEUTENANT COLONEL WALTER
L. MCCREARY, USAF (RETIRED)

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 1, 2016

Mr. CONNOLLY. Mr. Speaker, I rise today to commemorate the life of Lieutenant Colonel Walter L. McCreary, USAF (Retired), for his bravery and service to this nation.

Lt. Col. McCreary served this nation as one of the original Tuskegee Airmen and in a time of deep racial division, when many of the very citizens he defended would see him treated as a second-class citizen. It is in part because of the determined perseverance and success of the Tuskegee Airmen as the most efficient fighter group in the 15th Air Force that President Harry Truman integrated all branches of the armed forces in 1948.

Lt. Col. McCreary entered the Civilian Pilot Training Program in 1941 and flew a Waco biplane. He joined the Tuskegee program as a
